

Bath U3A Reciprocal Membership Policy

Purpose

Describes how Bath U3A offers membership benefits to members of other U3As.

Scope

Members of all neighbouring U3As.

Exclusions

None

Key Provisions

1. Bath u3a welcomes participation in its groups by members of other neighbouring U3As.
2. Bath u3a expects that other neighbouring U3As will extend reciprocal participation to its members on the same basis that Bath u3a offers it to members of other U3As.
3. The participation offered by Bath u3a is limited to membership of one Bath group.
4. Should a member of an adjoining u3a wish to join more than one Bath u3a group then they are expected to join Bath u3a and pay the reduced subscription applicable to members of another u3a.
5. Group leaders should ask to see up to date proof of membership for any of their group members who belong to an adjoining u3a and should include the group and number in their annual return. For administrative purposes, such members should submit a membership form so they can be entered on our database.
6. Bath u3a expects members of neighbouring u3as to be honest in their dealings with us.
7. Trustees of neighbouring u3as may be granted courtesy membership of Bath u3a at the discretion of the committee. This will have the principal effect of providing them with electronic copies of the Bath Newsletter.

This policy was revised and accepted in December 2025.

Chair: Judy Green

Secretary: Sue Oldfield
